When it's gone – it's gone!

Due to the on-going Covid-19 crisis, the demand for some products has reduced, leaving us with many items close to or exceeding their best before date.
To help manage this, we have vastly reduced the prices on a large selection of products. We will update this list on a daily basis.

Grab yourself a bargain while you can!

Offers are subject to availability.
All prices are subject to VAT where applicable.

Due to the ongoing Covid-19 crisis, wholesalers have seen a huge decline in the demand for some products, causing issues with Best Before Dates for food, primarily but not exclusively catering packs.

*The **'Best Before'** date relates to food quality.*
Food with a 'Best Before' date can be sold, redistributed and consumed after this date.

Please note offers may be priced to reflect Best Before date.
